- **Believe in yourself.** If you don't believe in yourself, no one else will. You have to be your own biggest cheerleader. You have to believe that

you can achieve anything you set your mind to.

- **Set clear goals.** If you don't know what you want, you'll never achieve it. Set specific, measurable, achievable, relevant, and time-bound goals. And write them down!
- **Take action.** Don't just sit around and wait for things to happen. Take action! Start moving towards your goals today. Even small steps count.
- **Never give up.** There will be times when you want to give up. But don't do it! Keep going. The only way to fail is to give up.
