In Banner of War Alpha 2024, these tensions will finally reach a boiling point when Hulk and Thor are forced to confront each other over the fate of a powerful cosmic artifact. The battle between Hulk and Thor in Banner of War Alpha 2024 will be unlike anything fans have ever seen before. Both heroes will unleash their full powers, with Hulk's incredible strength and Thor's mastery of thunder and lightning clashing in a cataclysmic display of force.

The battle will take place across multiple realms, from the desolate wastelands of Sakaar to the golden streets of Asgard. Along the way, Hulk and Thor will face off against a host of allies and enemies, including the Avengers, the Warriors Three, and even the Silver Surfer.

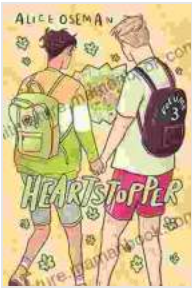

The Outcome

The outcome of Banner of War Alpha 2024 is impossible to predict. Both Hulk and Thor are incredibly powerful, and each has their own unique advantages. However, one thing is for sure: the battle will be epic, and it will have far-reaching consequences for the Marvel Universe.
