The Good Sister is a gripping psychological thriller that explores the dark side of sibling rivalry. The novel tells the story of two sisters, Fern and Rose, who have always been close. But when Fern starts to suspect that Rose is not who she seems, their relationship begins to unravel.

Fern is the older sister, and she has always been the responsible one. She's the one who takes care of her younger sister, Rose. Rose is the free spirit, the one who always gets away with everything. But when Fern starts to suspect that Rose is not who she seems, she begins to question everything she thought she knew about her sister.

As Fern investigates Rose's past, she uncovers a web of secrets and lies. She learns that Rose has been hiding a dark secret from her, a secret that could destroy their relationship forever. Fern must decide whether she can forgive her sister for her past mistakes, or if she must protect herself from further harm.

The Good Sister is a well-written and suspenseful thriller that will keep you on the edge of your seat from beginning to end. The characters are

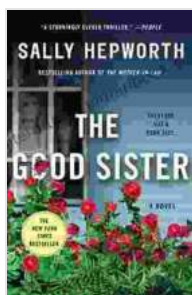

complex and well-developed, and the plot is full of twists and turns. This is a must-read for fans of psychological thrillers.

## Praise for The Good Sister
