Welcome to the first part of our 2024 astrological forecast! In this article, we will be taking a look at the major astrological transits that will be taking place in the first three months of the year, and how they will affect each of the 12 zodiac signs.

2024 is a year of change and growth, and the astrological transits that will be taking place in the first three months of the year will provide us with the opportunity to make some major changes in our lives. The planets will be aligning in ways that will support us in taking risks, making new beginnings, and letting go of the past.

If you are ready for a change, then 2024 is your year! The astrological transits that will be taking place in the first three months of the year will give

you the courage and the strength to make your dreams a reality.

January 2024

The first month of 2024 will be a time of new beginnings and fresh starts. The Sun will be in the sign of Capricorn until January 20th, which will give us the energy and focus to set our goals for the year ahead.

On January 12th, there will be a New Moon in Capricorn, which will be a powerful time to manifest our intentions for the year. This New Moon will be conjunct with Pluto, which will give us the power to transform our lives.

On January 20th, the Sun will move into the sign of Aquarius, which will bring us a sense of independence and originality. This is a great time to break free from the past and embrace our true selves.

On January 24th, there will be a Full Moon in Leo, which will be a time of celebration and self-expression. This Full Moon will be conjunct with Uranus, which will bring us surprises and unexpected changes.

Aries (March 21 - April 19)

January will be a month of new beginnings for Aries. You will be feeling confident and motivated, and you will be ready to take on new challenges. This is a great time to set your goals for the year ahead and to start working towards them.

The New Moon in Capricorn on January 12th will be a powerful time for you to manifest your intentions. This is a good time to start a new project or to make a change in your career.

The Full Moon in Leo on January 24th will be a time of celebration and self-expression. This is a great time to show the world who you are and what you are capable of.

Taurus (April 20 - May 20)

January will be a month of change and growth for Taurus. You will be feeling restless and ready for a change, and you will be open to new experiences. This is a good time to step outside of your comfort zone and try something new.

The New Moon in Capricorn on January 12th will be a powerful time for you to manifest your intentions. This is a good time to start a new hobby or to learn a new skill.

The Full Moon in Leo on January 24th will be a time of celebration and self-expression. This is a great time to show the world who you are and what you are capable of.

Gemini (May 21 - June 20)

January will be a month of communication and connection for Gemini. You will be feeling sociable and outgoing, and you will be eager to meet new people and learn new things. This is a good time to network and to build relationships.

The New Moon in Capricorn on January 12th will be a powerful time for you to manifest your intentions. This is a good time to start a new project or to make a change in your career.

The Full Moon in Leo on January 24th will be a time of celebration and self-expression. This is a great time to show the world who you are and what you are capable of.

Cancer (June 21 - July 22)

January will be a month of nurture and self-care for Cancer. You will be feeling sensitive and emotional, and you will need to take time for yourself to relax and recharge. This is a good time to focus on your inner life and to connect with your emotions.

The New Moon in Capricorn on January 12th will be a powerful time for you to manifest your intentions. This is a good time to
