

Year of Activities: Crafts, Exploring Nature, and More

Are you looking for ways to keep your family busy and entertained all year long? Look no further than our Year of Activities! We've compiled a list of 365 activities, crafts, and nature exploration ideas for all ages. Whether you're looking for indoor or outdoor activities, hands-on projects or learning experiences, we've got you covered.

January

- **Make a snow globe.** Fill a clear glass jar with water and add glitter or sequins. Seal the jar with a lid and shake to create a winter wonderland.
- **Build a snowman.** If you're lucky enough to have snow, get outside and build a snowman. Use your imagination to create a unique snowman that reflects your personality.
- **Go ice skating.** Find a local ice skating rink and glide around the ice. Ice skating is a great way to get some exercise and have some fun.
- **Have a movie night.** Pop some popcorn, grab a blanket, and cuddle up on the couch for a movie night. Choose a movie that everyone will enjoy.

February

- **Make Valentine's Day cards.** Cut out hearts from construction paper and decorate them with markers, crayons, or stickers. Write a special message to your loved ones on each card.

- **Bake Valentine's Day treats.** There are many easy Valentine's Day treats that you can bake with your kids. Try making heart-shaped cookies, cupcakes, or brownies.
- **Go on a nature walk.** Take a walk in a local park or nature preserve. Look for signs of spring, such as budding trees and flowers.
- **Visit a museum.** Many museums offer free or discounted admission on certain days of the week. Take advantage of these opportunities to learn about history, science, or art.

March

- **Plant a garden.** If you have a yard, start a garden in the spring. Choose easy-to-grow plants, such as tomatoes, cucumbers, or zucchini.
- **Make a bird feeder.** Fill a pinecone with peanut butter and bird seed. Hang the pinecone from a tree branch and watch the birds come to eat.
- **Go on a bike ride.** Get some fresh air and exercise by going for a bike ride. Explore your neighborhood or find a local bike trail.
- **Have a picnic.** Pack a lunch and find a spot to have a picnic. Enjoy the outdoors and the company of your family and friends.

April

- **Make Easter eggs.** Hard-boil eggs and decorate them with dye, markers, or stickers. Hide the eggs around the house or yard for an Easter egg hunt.

- **Make a spring wreath.** Gather flowers, leaves, and other natural materials to make a spring wreath. Hang the wreath on your door or window.
- **Go on a nature hike.** Find a local nature trail and go for a hike. Look for wildflowers, birds, and other wildlife.
- **Visit a zoo.** Many zoos offer educational programs and activities for children. Learn about different animals and their habitats.

May

- **Make a Mother's Day card.** Cut out a flower from construction paper and decorate it with markers, crayons, or stickers. Write a special message to your mother on the card.
- **Make a Mother's Day gift.** Make a picture frame, a piece of jewelry, or a painting for your mother. Show her how much you care by making her a special gift.
- **Go on a family bike ride.** Rent bikes and go for a family bike ride. Explore your neighborhood or find a local bike trail.
- **Have a backyard campout.** Pitch a tent in your backyard and camp out under the stars. Roast marshmallows, tell stories, and enjoy the outdoors.

June

- **Make a Father's Day card.** Cut out a tie from construction paper and decorate it with markers, crayons, or stickers. Write a special message to your father on the card.

- **Make a Father's Day gift.** Make a tool box, a picture frame, or a painting for your father. Show him how much you care by making him a special gift.
- **Go on a fishing trip.** Find a local lake or river and go fishing. Spend some time together enjoying the outdoors and trying to catch a fish.
- **Have a water balloon fight.** Fill up water balloons and have a water balloon fight with your family and friends. Cool off on a hot summer day.

July

- **Make a 4th of July craft.** Use red, white, and blue construction paper to make a flag, a rocket, or a fireworks display.
- **Make a 4th of July treat.** Make red, white, and blue cupcakes, cookies, or fruit salad. Celebrate the 4th of July with some festive treats.
- **Go to a 4th of July parade.** Find a local 4th of July parade and watch the floats, marching bands, and other participants. Celebrate Independence Day with your community.
- **Have a 4th of July barbecue.** Grill hot dogs, hamburgers, and other barbecue favorites. Celebrate the 4th of July with a festive meal.

August

- **Make a back-to-school craft.** Use construction paper, markers, and crayons to make a pencil, a notebook, or a backpack. Get ready for school with some fun and easy crafts.

- **Make a back-to-school treat.** Make apple-shaped cookies, cupcakes, or Rice Krispie treats. Celebrate the start of school with some delicious treats.
- **Go on a back-to-school shopping trip.** Take your kids to the store to pick out new school supplies. Help them get excited for the new school year.
- **Have a back-to-school party.** Invite your child's friends over for a back-to-school party. Play games, eat snacks, and celebrate the start of a new school year.

September

- **Make a fall craft.** Use leaves, acorns, and other natural materials to make a fall wreath, a leaf rubbing, or a nature collage.
- **Make a fall treat.** Make apple cider, pumpkin pie, or caramel apples. Enjoy the flavors of fall with some delicious treats.
- **Go on a fall nature walk.** Take a walk in a local park or nature preserve. Look for fall foliage, acorns, and other signs of the changing season.
- **Visit a pumpkin patch.** Find a local pumpkin patch and pick out a pumpkin to carve or decorate.

October

- **Make a Halloween craft.** Use black, orange, and purple construction paper to make a pumpkin, a ghost, or a bat. Get ready for Halloween with some fun and easy crafts.
